The Rainbow in our own back yard was captured by Activity Aide Regina Morgan and touches the feet of the Blessed Mother. Whenever you see a rainbow think about God's awesomeness, remember He's always near, and trust and have faith in the Lord.

A new Derby Race Game was created and constructed by C-Wing Charge Nurse Bonnie Ricker. The game is on the fast track for being a hit. Up to 12 jockeys run neck and neck to compete for cookie prizes.

The first Derby Race winners: 1st place - Louis Allen, 2nd place - Edith Sirianni, 3rd place - Doreen Bibeault.

Perhaps one of the most uneasy things in life is to watch your parents' age. Grasping the concept of the mortality of my ever-invincible Dad was especially difficult for me.

My own Dad was an indestructible genius who could lift our house and split an atom. He wasn't, of course, but that's how my siblings and I saw him.

Men account for less than 30% of nursing home residents, even less here at Matulaitis.

Matulaitis is honored to honor our Fathers!

Darlene Stubbe Enjoys Her Doll

Therapy Dolls are an effective comfort for seniors. Having a baby to care for can reduce wandering, increase communication, make us feel 'needed again' and can bring back that nurturing feeling from long ago.

New dolls were generously donated by the family of past resident, Rita Bernier.

Theresa Perkins makes popsicle crafts.

Zivile - Lithuanian OT, assisted A-wing for a few weeks over the summer. She also played piano beautifully for residents and the Activity Department.

Outside on a warm breezy day listening to Owen Ritzen playing classical music. Owen has played the violin since the age of three. A very talented young man, he has shared his gift with

Matulaitis residents for three summers. Owen is now off to college and we wish him well!

64 Happy Years

Fred and Marjorie Sirrine celebrated their 64th Wedding Anniversary on June 22. Their celebration was in their room at Matulaitis! They have 2 children, Elizabeth and Travis. Fred was Selectman in Pomfret for 44 years and was Road Foreman for DPW. Marjorie pioneered 'working from home' doing advertising for WINY Radio. Her largest account was the very successful Bugbee Department Store in Putnam, CT!

Congratulations Fred and Marjorie

Aldona Prapuolenis was thrilled to see her brother, Marius. Marius lives in Los Angeles and made a surprise visit to Matulaitis. Above, Sr. Bernadette helps Aldona in the auditorium.

The Great Outdoors in A-Lounge

Kudos to the Activity Department for another creative outdoor-but-indoor adventure!

THE JOY OF COLORING

Coloring is a great activity at any age, but the benefits for adults and seniors go far beyond just having fun!

- ✚ Uses both hemispheres of the brain
- ✚ Lowers stress and anxiety
- ✚ Eases loneliness and depression
- ✚ Sharpens focus
- ✚ Coordination and muscle control
- ✚ Provides self-expression

SMILE MAIL from the Lone Star State

Harold "Kip" Phillips and Arlene Phillips

*"I love this...it did put
a smile on my face!"*

Darlene Stubbe

*"They should come here and
see all these smiling faces!"*

Adel Serafinas

Kinnari, a 4th year medical student from Texas, handmade 30 cards for our residents! Each one had a special message inside encouraging everyone to keep smiling! The clever puns gave the residents a good laugh and they appreciated the cute drawings! Skippy said, *"I love this...it did put a smile on my face!"* Adel loved her card with the pun "you're one in a melon" and said, *"They should come here and see all these smiling faces!"*

Matulaitis has received many beautiful and thoughtfully done cards from various volunteer groups throughout the last year and a half. A group called "Brighten Your Day" and various people make cards and sends them to Matulaitis to distribute.

IDA BRINGS PILGRIMAGE INSIDE

September 1st was our annual Pilgrimage to Lourdes. Due to the rain from hurricane Ida, it was held in the A- Lounge. Our pilgrimage was made via a film that Sr. Bernadette brought back from one of her trips to Lourdes, the site of a Marian apparition in 1858 to her namesake.

We make our annual pilgrimage in honor of the Blessed Virgin Mary's birthday celebrated this month. Director of Spiritual Care Olivia Chalifoux led several Marian hymns on guitar and together all prayed the Rosary with residents Adrienne Theroux and Cecile Bourgeois each helping to lead a decade.

The Birthday Fairy came early on the morning of September 2 and set up these surprise decorations for Jeannett Sullivan. Happy Birthday Jeannett from your son and daughter-in-law.
